- Did you know...we have a fair app that you can download on your smart phone?

As the 2018 Wayne County 4-H Fair quickly approaches, we are in need of partners to help support the fair. Fair operates June 23rd through 30th. Our county fair can only continue with the support of contributors like YOU. We are constantly working to improve the Wayne County 4-H Fair year after year. The success of our fair helps promote continued growth of the 4-H program as well as the Wayne County community.

We have several options to help promote your business to the over 50,000 people that attend the fair. The partnership levels are on the reverse side for your review. Your contribution will not only market your business, but supports character building for our 4-H members while providing thousands of families with a week-long event full of activities and programs to make memories that last a lifetime.
